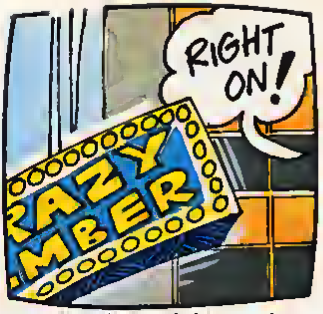
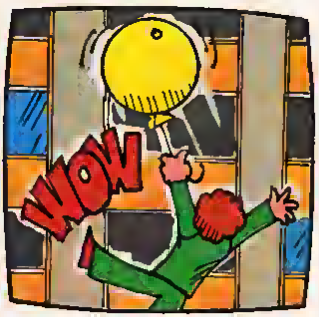
And whew! He ducked the powerful punch of King Kong!



He climbs higher, dodging girders, dumbbells and falling signs!

The electric wire's been cut! Crazy would have been in for a shock if he hadn't moved fast!



He's nearing the top! Catching that balloon sure got a rise out of him!

But wait! The windows are closing! Hold on with both hands, Crazy, and move over to a free ledge!

He did it! Crazy Climber conquered foe and flower pot alike! Our hero!
